ART HOTEL

VENUE INFORMATION SHEET Henry Jones Design Gallery

A retail space by day, Henry Jones Design Gallery transforms into a spectacular function venue on the edge of the waterfront. The welcoming and relaxed atmosphere of the Gallery allows its guests to take time to enjoy the works of art, the ambience and the historical backdrop of the building.

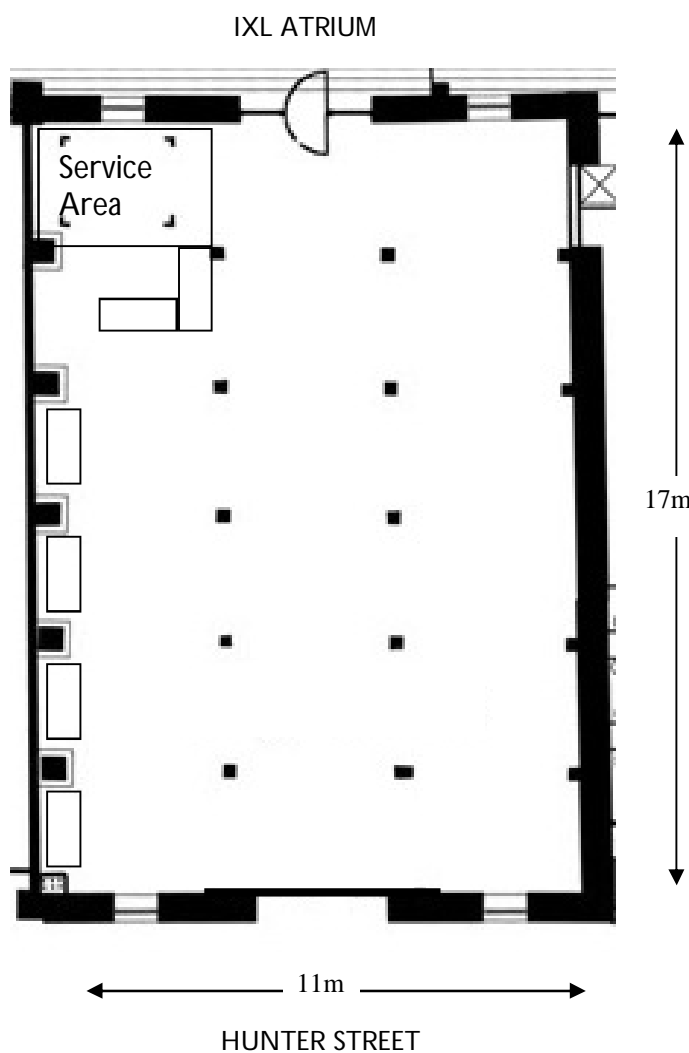

The up-lit convict hewn sandstone walls, the unique Tasmanian Art, and the waterfront location are matched only by the service that The Henry Jones Art Hotel is renowned for, making this a most enticing proposition for small functions and events.
