

IXL ATRIUM

At three storeys high, The IXL Atrium is one of the largest glass atriums in the Southern Hemisphere. This magnificent space provides the centrepiece to the surrounding complex, is sensitively integrated into the fabric of the original building and reveals glimpses of the old jam factory interior. The IXL Atrium is ideal for a range of events; from design and art installations, to a spectacular backdrop to your gala cocktail or dinner event. This is unquestionably Tasmania's most striking events space with a difference.

ROOM HIRE: \$7,000

MINIMUM SPEND: \$27,500 (food & beverage)

Should the event run past 21:30, the 16 surrounding accommodation rooms must be booked, these are offered at a reduced rate.

Access to the space is available from 2pm on the day of the event.

We strongly recommend hiring additional lighting for the space. The suggested bump in time for your audio visual is the night before the event between 5pm & 9pm.
