PRIVATE DINING EXPERIENCES

The Henry Jones Art Hotel

EXCLUSIVE SPACES FOR GROUP BOOKINGS

Set within the historic sandstone walls of The Henry Jones Art Hotel on Hobart's waterfront, Landscape Restaurant and Grill offers refined, intimate settings for groups of up to 65 guests. This unique venue combines award-winning fine dining with a backdrop of John Glover paintings, curated historical artefacts and artworks – details that spark conversation and elevate the experience.

PRIVATE DINING ROOM AND LOUNGE

For up to 22 guests, the Landscape Private Dining Room and Lounge offers a seamless experience from pre-dinner drinks to dessert. Guests gather in a lounge area adjacent to the dining room before transitioning to the formal sit-down setting. A striking timber table anchors the dining room, providing ample room for guests to relax in comfort, complemented by high-quality leather chairs designed for long conversations. The setting is spacious yet intimate, perfect for meaningful connections.

Our main dining room can accommodate smaller groups, or exclusive use of the entire restaurant can be arranged for up to 65 guests.

PRIVATE LOUNGE

The Private Lounge offers an alternative venue for less-formal occasions. Ideal for cocktail parties, corporate gatherings or networking events, the space can be booked exclusively for your guests. With its own, fully serviced bar, guests can enjoy a dedicated space that feels both sophisticated and inviting.

Perfect for your next occasion:
